

In response to the COVID-19 Pandemic, Glenray are putting measures in place to reduce the risk to the health and safety of the people we support, their families and our staff.

People with disabilities are more vulnerable and are at a higher risk and in an attempt to mitigate the risk of infection we have closed our sites to all visitors.

We ask if you need to attend any of our sites, that you phone by calling 6331 2388 to speak with the appropriate person for approval prior to entering our site.

Please do not attend our sites or services if you are feeling unwell and showing signs of flu-like symptoms.

Thank you for understanding,  
Glenray
